CerealCrock is a high quality unfeed cube. Hay and alfalfa with flaked cereals and vitamins, are selected and studied to best achieve high performance and keep animals in perfect shape. Rich in highly digestible fiber, flaked cereals and vitamins, this product is also suited in high competition horses. Using NO GMO forages, grown on natural fields without chemical fertilizers, being powder free and having no external components, makes CerealCrock the most complete and safe meal on the market. The total absence of dust, topsoil, mold, makes CerealCrock suitable even for allergic animals. CerealCrock: high digestibility, palatability, quality, energy and safety! As all LA VITTORIA’s products, CerealCrock is naturally different!
